

Burnt Umber Dark, Burnt Umber Medium, Burnt Umber Dark Ridge, and Cream Dark

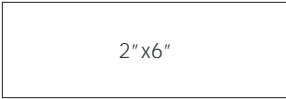

Description

Mineral Glow explores the interaction between surface and light through a luminous glaze infused with fine mineral particles. Subtle speckling within the glaze creates delicate points of reflection, producing a soft sparkle that shifts as light moves across the tile surface. The result is a glossy porcelain wall tile that brings depth, brightness, and visual movement to contemporary interior walls.

Colors

Size

Finish & Thickness

Glossy | 8.5mm, 9mm
